15th March, 2023

PUBLIC ANNOUNCEMENT

The Imo State Water & Sewerage Corporation wishes to notify our esteemed customers that there is a breach in public water supply which is due to the ongoing operational maintenance at the Otamiri Treatment Plant.

The public water supply will be restored as soon as our Engineers are through with the maintenance on Tuesday, 21st March, 2023.

We regret any inconvenience this have caused you.

Signed:

Opara Paschal

Communication Officer
